

Dear Stockton Collegiate International Secondary,

We want to acknowledge the hard work that went into being recognized as one of the top public high schools in the United States, according to the recently released *Washington Post's "America's Most Challenging High School"* ranking, and congratulate you on a well-earned achievement.

It takes dedicated teachers, administrators, parents, and students working toward a common goal to reach this accomplishment. We believe IB programs help schools to create a culture of achievement where everyone can and should succeed. Your school exemplifies this belief. That's why it's nice to receive notice from others for something we know IB World Schools are doing every day.

We are proud to be your partners in this effort. Ultimately, if students benefit, we all gain. **Congratulations** on this outstanding recognition.

Sincerely,

Your friends at the IB
