March 16, 2020

Dear Stockton Families,

We are committed to providing updates as often as necessary to keep our families informed as we respond to developments in the nation's response to the COVID-19 epidemic. We will continue to let you know of next steps as those become clear.

We are monitoring local, state, and national announcements and anticipate information today that will guide our plans for how to best support students while school is closed.

As of now, there is one update:

Spring Break has been moved to this week. We understand that this differs from the information sent on Saturday.

School remains closed and will not resume until April 6th, at the earliest.

However, we have designated Monday, March 16 – Monday, March 23rd as Spring Break.

Please watch your emails for further information.

Sincerely,

Lisa Lee
Administrator
